

Meeting Notice

Government e-Marketplace (GeM) is setup by Government of India to bring transparency, efficiency, accuracy and accountability in procurement of Good & Services by Central/State Government Organisation and PSUs etc. GeM has already started listing medical equipment and devices on GeM. **Kalam Institute of Health Technology (KIHT)** has been identified by GeM to give technical support for preparation of generic specifications for medical equipment and devices. The first draft specifications covering **Radiology Equipment's** have been prepared.

In this regard a Consultative Committee Meeting is being convened with **BUYRES and SELLERS** from 10 am - 5 pm on 23rd Feb 2019 at Hall No.7, Medical Fair India 2019, Pragati Maidan, New Delhi to discuss the draft specifications and get the feedback/Suggestion before finalization.

You are requested to nominate suitable person to attend the aforesaid meeting who can give appropriate suggestions/inputs in finalizing the specifications for the **Radiology Equipment's (MRI, CT Scan, PET-CT, C-ARM , Ultrasonography, Digital Radiography, CR System, Mammography, Bone Mineral Densitometer etc.)**

You may also send your suggestions to the e-mail ids mentioned below:
